## MEMORANDUM

ATTENTION Senate DATE January 4, 2021

FROM Brian Krauth, Chair PAGES 1/12  
Senate Policy Committee on  
Scholarships, Awards and Bursaries

RE: Annual Report

I am pleased to submit the Annual Report of the Senate Policy Committee on Scholarships, Awards and Bursaries (SPCSAB) for the fiscal year 2019/2020.

### Overview

SPCSAB is the committee charged by Senate with setting policy for the administration of student awards, scholarships, bursaries and other forms of financial aid at SFU. This is primarily for university-administered funding. Three other Senate committees, namely SUAAC (Senate Undergraduate Awards Adjudication Committee), SGAAC (Senate Graduate Awards Adjudication Committee) and SCUH (Senate Committee on University Honors) adjudicate financial awards to students, where adjudication is needed. Financial Aid and Awards is a unit within Student Services, which processes and administers undergraduate scholarships and awards (entrance, athletic, in-course), government student loans (Canadian and US) and needs-based bursary and work-study programs (for both undergraduate and graduate students). The Graduate and Postdoctoral Studies Office is responsible for the support and administration of major graduate entrance scholarships and awards and other internal and donor funded awards for graduate students.

SPCSAB is not responsible for administering budgets for scholarships, awards, work-study or bursary programs. We include for information, reports from both undergraduate (Appendix 1) and graduate studies (Appendix 2) indicating how funds were distributed. Policy decisions by SPCSAB in the 2019-20 period are detailed in Table 1.

### COVID-19 Emergency Assistance Funding

Given the unique circumstances that were created by the COVID-19 pandemic in late Spring 2020, SPCSAB authorized support for emergency assistance to be accessed using university funding that was originally assigned to the bursary program. This funding was used to support students in late Spring 2020 and through the Summer 2020 term. Students were provided funding for general emergency to cover unexpected living expenses, technology for remote learning, and travel assistance to return to Canada or to go back to their home country in the case of international students. Along with university monies, various donors reached out to support students by providing funding through a program called the SFU Student Urgent Response Fund initiated by the University Advancement office. As well, generosity of funds came through others including Simon Fraser Student Society, Dean of Graduate Studies and Postdoctoral Fellows, the First Nations Student Association and the BC provincial government via the Ministry of Advanced Education, Skills and Training.
