Graduate Course Deletion

A course can be deleted if it has not been offered in the previous seven years or if there is no chance of it being offered again. Once a course has been deleted for a minimum of 10 years, the course subject and number can be re-used.

Course Subject/Number	MBB 726	Units	4
Course Title The Immune System I: Basis of Innate and Adaptive Immunity			
Reason for Deletion This course was always combined with MBB 426, which has been replaced by a 300-level course (MBB 326), and will no longer be offered.			
Effective Term and Year: At the first opportunity			

Before Submission to SGSC check the following:

Is this course required for degree completion?

 YES

 NO

Do any program calendar entries need to be changed as a result of this deletion?

 YES

 NO

Does the departmental website need to be updated?

 YES

 NO

Additional information for any YES responses:

REMINDER: All course deletions must be identified on a cover memo and confirmed as approved when submitted to FGSC and SGSC.
