Re: Correction to SCIA Report to Senate for 2007.

From: James Busumtwi-Sam, Chair, Senate Committee on International Activities

To: Alison Watt, Senate Committee on Agenda and Rules

SCIA's annual report to Senate for 2007 (paper S.08-66) contains an error. Item 2.18 states that an MOU with PCF Internacional, Madrid, Spain was approved. In fact, SCIA was asked to approve this proposal, but the minutes clearly show that SCIA declined to do so. A revised version of the SCIA annual report for 2007 will be posted on appropriate websites and submitted to the Secretary of Senate with the following change:

From

2.18 Approval of MOU with Centro Internacional de Formacion e Investigacion de Psicopatologia Criminal y Forense (PCF Internacional), Madrid, Spain

To

2.18 Approval of MOU with Centro Internacional de Formacion e Investigacion de Psicopatologia Criminal y Forense (PCF Internacional), Madrid, Spain [Not approved by SCIA]"
