RE Graduate General Regulation 1.10.6

DATE 9 December 2008

### Motion

**That Senate approve the deletion of the list of professional degrees from Graduate General Regulation 1.10.6:**

#### **1.10.6 Examination of Projects Submitted in Partial Fulfilment of Degree Requirements**

For degrees designated 'professional degrees' by senate (~~presently executive MBA, day MBA, MEd, MPM, MPP, MRM, MEng, MPub~~) the project will be examined in ways designated by the appropriate faculty graduate studies committee and the dean of graduate studies.

Examination of projects for all other graduate programs shall be as for the examination of theses with the following exceptions: when the project is either live, taped or filmed, only one presentation is required for examination, and only one recording is required for deposition in the library. The one copy deposited in the library shall be the property of the University. The student shall have the right to copy the original, and the right to borrow it for external showing at the discretion of the librarian.

Rationale: The list of the designated professional degrees is out dated and requires constant revision to the graduate regulation.
