To: Dr. Curt Griffiths, Chairman
Undergraduate Curriculum Committee
Faculty of Interdisciplinary Studies
Request to change the prerequisites
for W.S. 301
Subject:

From: M. L. McDougall, Coordinator
Women's Studies
Date: May 4, 1981

The Women's Studies Program would like to change the calendar entry for W.S. 301, prerequisites from "60 credit hours" to:

"W.S. 100 and 60 credit hours".

The addition of W.S. 100 is expected to help assure better prepared students and to reduce some of the problems associated with the large number of students who first take W.S. 300-level courses, then do not wish to take the W.S. 100 course required for a minor in Women's Studies.
