### NEW COURSE PROPOSAL FORM

Abbreviation Code: G.S. Course Number: 410 Credit Hours: 3 Vector:  Title of Course: Selected Topics  Calendar Description of Course:  The subject matter will vary from semester to semester depending upon the interests of faculty and students.  Nature of Course  Prerequisites (or special instructions): 45 semester hours  What course (courses), if any, is being dropped from the calendar if this course is approved:  None  2. Scheduling  How frequently will the course be offered? On an irregular basis probably not more than once a year. No course will pe offered a second time under this title. Semester in which the course will first be offered? 1977-3  Which of your present faculty would be available to make the proposed offering possible?  Objectives of the Course There have been several occasions when we have wanted to "try out" courses which did not fit within the present offerings of the University. These have been offered as "one time only" courses, each of which has had to be approved by Senate. This course is intended to allow us to continue offering such subjects from time to time but with considerably less paper work and administrative time involved.  4. Budgetary and Space Requirements (for information only)  What additional resources will be required in the following areas:  Faculty  Staff Library  Audio Visual  Space  Equipment  5.
