<i>CHANGE - CANADIAN STUDIES PROGRAM - CMNS COURSES</i>			

It has been brought to my attention that four courses in Communications Studies should be listed as Canadian Studies courses. I understand that it is not too late to add to our calendar entry, and would appreciate the inclusion of these courses if possible:

- CMNS 230-3 Introduction to Communications Media
- CMNS 332-3 Problems and Techniques in Social Documentation
- CMNS 333-3 Communications Policy in Canada - Past, Present and Future
- CMNS 336-3 Social Change and Community Radio

Of course, these courses will be credited toward a Canadian Studies minor only when taught by faculty associated with the programme. At present, professors Lorimer and Hindley are listed as associated faculty from Communications Studies.
