**COURSE DESCRIPTION**

This course examines psychological theories and research concerned with learning, development, motivation, individual differences, and assessment in school settings. Students will attend two 1-hour lectures and one 1-hour tutorial each week during the thirteen weeks of instruction.

**ASSIGNMENTS**

Students will be assigned:

1. Two short "Think Papers" (maximum of six typed, double-spaced papers) on specific topics determined by the instructor. Each paper will contribute 15 points toward a student's final grade in the course.
2. One multiple choice mid term (30 points) and one multiple choice final examination (40 points) based on the content in lectures and textbook.

**REQUIRED TEXTBOOK**
