FACULTY OF EDUCATION

BURNABY, BRITISH COLUMBIA V5A 1S6  
Telephone: (604) 291-3395

Course # EDUC 376-3

## COMPUTER TECHNOLOGY FOR EXCEPTIONAL STUDENTS

1. Burnaby, B. C. August 15-19, 1988 (D1.00)
2. Kelowna, B. C. August 22-26, 1988 (D2.00)

### Description:

This Institute is designed to provide basic information about instructional technology to teachers of exceptional students and will include: relevant research highlights; guidelines for the selection of hardware and software; techniques for integrating technology into the curriculum; and procedures for training students to use technology. Teachers completing this introductory course will have the basic practical information and skills necessary to use computer technology with exceptional students.

### Instructor:

Ms. Kay Young

### Location:

1. Simon Fraser University, Burnaby, B. C.
2. Telelearning Centre, Kelowna, B. C.

Kay Young is an experienced teacher of regular and exceptional students. She develops and presents training programs for teachers in the use of technology with exceptional students, in cooperation with Florida State University and the Florida Department of Education.
