OUTLINE

This institute is intended for school district personnel: central board office, principals and vice-principals and teachers who wish to understand the educational reforms under way in B.C. The institute will combine formal lectures with invited speakers--in many cases, key players in the reforms and their implementation. The lectures are open to the community at large; the graduate seminar is available on a normal registration basis.

COURSE REQUIREMENTS

- a) Attendance at 9 formal lectures, and 12 seminar sessions
- b) Assigned readings
- c) Major analytic paper of a key issue affected by the reforms

EVALUATION

Class Participation and Major Paper

TEXTS

No required texts: materials and readings to be handed out in class.
