## MEMORANDUM

To W. Roberts, Chairman, Faculty of Arts  
Undergraduate Curriculum Committee  
M. Wideen, Chairman, Faculty of Education  
Undergraduate Curriculum Committee.  
Subject NEW COURSE PROPOSAL - ENG. 367-4  
STUDIES IN CHILDREN'S LITERATURE

From H. M. Evans, Secretary  
SCUS  
Date February 14, 1980.

At the meeting of SCUS held on February 12, the above-mentioned course was on the agenda for discussion under paper SCUS 80-1.

Question was raised by M. Wideen concerning overlap difficulties and the Committee decided to postpone discussion in order that there can be further consideration on overlap between the Faculty of Education and the Department of English to resolve the concerns expressed.

M. Wideen further suggested that it might be necessary for the Faculty of Education to give consideration to some changes in the course description for EDUC 465-4 Children's Literature.

When this topic has been discussed with appropriate resolution, the course may be returned through the Faculty of Arts Curriculum Committee to SCUS for consideration.

A copy of SCUS 80-1 is attached for information.
