Curriculum & Instruction in Teaching English as a Second Language E01.00 Dr. Gloria Sampson Office: EDB 8671 Phone: 291-4303 Email: sampson@sfu.ca

Tuesdays 16:30-20:20

PREREQUISITE:

60 credit hours plus a linguistics course. DESCRIPTION

English is now a global language. The theory of language and the teaching techniques presented in this course, because they are based on internationally-accepted principles, prepare teachers to teach the English language both in Canada and abroad. All language plans created by students are developed within the context of literature, using concepts and practices drawn from the approach called "content-based ESL instruction."

TOPICS Review of phonology, morphology, morphophonology and syntax Five approaches to instruction Creating unit plans and lesson plans Integrating ESL instruction and the teaching of literature.

ASSIGNMENTS

- 1. Pronounciation lesson plans (30%)
- 2. Phonics lesson plans for beginning readers in English (20%)
- 3. Lesson plans for teaching derivational and inflectional morphemes in English (20%)
- 4. Lesson plans for teaching sentence patterns (30%)

Computer Requirements

1. This course requires active participation over the internet. Students must have access to a computer and the internet. Students wishing to connect to the internet from home computers are responsible for connecting to either SFU or an external Internet Service Provider (ISP). Information on connecting to SFU through modem dialup lines is available at the Academic Computing Services (ACS) web site at <http://www.sfu.ca/acs> Phone numbers for ACS are 604-291-3234 (Burnaby) or 604-291-5030 (Harbour Centre).

SFU Students activate your SFU Computing Account online at: http://my.sfu.ca

2. On-campus computer facilities are available. If you are using your own computer, Minimum Computer Requirements are:

Hardware

- Macintosh with System 7.1 or higher OR PC with Windows 95 or later (98, 2000, NT, ME, etc.)
- 16 MB RAM
- 10 MB free disk space
- 28.8 baud modem

Software & Other

- Internet Connection
- Email (e.g. Eudora, Outlook Express or equivalent)
- Internet Browser (e.g. Netscape or Internet Explorer)

General

- Prior computer knowledge is expected (i.e. ability to save files, install programs and maintain your computer).
- Familiarity with the internet, email, and related applications is highly recommended.

3. Please Note:

- Support for general computer problems such as operating system difficulties and hardware problems is not available.
- The subsidized modem hours allotted to students each semester are not normally sufficient to complete the required course work.
 - A voucher system has been implemented to allow students to pay for continued modem access on 604-291-4721 (after your subsidized access is used up). Vouchers may be purchased from the campus bookstores and are sold in increments of \$20. At 60 cents/hour, each voucher is good for approximately 33 hours. Instructions are included with the voucher.
 - For complete information on SFU's Modern Access Policy, check the ACS web site above.
 - Out of town students only: It is recommended that students residing outside the Lower Mainland contact a local Internet Service Provider (ISP) since using SFU dialup services will result in additional long-distance charges. Check your local yellow pages under "Internet" for listings.
