

COURSE REQUIREMENTS:

- 60% 1. Curriculum Project (instructional unit): This project will include attention to the following:
- a. The inclusion of a variety of data collecting techniques (a minimum of four)
 - b. The design of learning-activities from each of seven categories.
 - c. The relationship to units preceeding and following the intended grads level.
 - d. The utilization of children's literature.
 - e. The utilization of out-of-school resources.
- 20% 2. Media Project: This project will involve the design and implementation of a media presentation related to the curriculum project.
- 10% 3. Reaction (opinion) to two books from reading list.
- 10% 4. Class and group participation.

EVALUTION

1. The curriculum and media project will be rated by the Educ 474 class and instructors.
2. The participation and readings will be rated by the instructors.
3. Extra credit may be arranged by contracting with instructors to design and produce a second media project.
