COURSE DESCRIPTION

This methods course in social studies education for secondary teachers has three main themes:

1. Foundations - the underlying rationales and major strands that comprise social studies.
2. Ends and Means - the five social studies goal, and the methods and resources available to teach them.
3. Implementation - planning (course, unit and lesson) and assessment of learning in social studies.

OBJECTIVES

To enhance teachers' ability to plan and deliver an effective social studies program at the secondary school level. A major emphasis will be on infusing critical thinking in all aspects of social studies.

REQUIREMENTS
