

EDUCATION 475-4 INTERSESSION 1980

DESIGNS FOR LEARNING: MATHEMATICS

SECONDARY

INSTRUCTOR: Dr. A. J. (Sandy) Dawson  
Phone: 291-3189

TIME: Tuesday & Friday, 12:30 - 4:30  
May 13th, 1980 to June 20th, 1980 inclusive

TEXTBOOK: John Trivett's "... And So On"  
available from instructor  
other books will be identified during the  
first week of classes

EVALUATION: One minor and one major project will be required.  
Participation and attendance will contribute  
to final grade.

A -- outstanding, superior work  
B -- above average, excellent work  
C -- average, good quality work  
D -- below average work  
F -- not passable work

CLASS FOCUS: No intensive background in mathematics will  
be expected. Students will be expected to  
acquire fundamental knowledge of the  
arithmetic and algebraic curriculum of the  
schools (at least 5 - 12), as well as teaching  
strategies conducive to productive and joyful  
student learning.
