

EDUCATION 479-4

DESIGNS FOR LEARNING: ELEMENTARY PHYSICAL EDUCATION

FALL, 1980

INSTRUCTOR: Dr. Glenn Kirchner

CAMPUS

Tuesdays 4:30 - 8:30

This course is designed to assist students in the Professional Development Program and practicing teachers to teach physical education to elementary school children. The central focus of this course will be curriculum development and contemporary teaching strategies. Special emphasis will be the development of daily physical education programs.

TOPIC OUTLINE:

1. Foundations of curriculum development.
2. Contemporary trends in curriculum and teaching strategies.
3. Mainstreaming handicapped children.
4. Development of units, themes and flexible lesson plans.
5. Instructional methods and techniques in games, dance and gymnastic activities.
