

PRELIMINARY ANNOUNCEMENT

Simon Fraser University will be offering the following course in Fort St. John during the 1984 Fall Semester (September - December):

EDUCATION 486-4 SPECIAL TOPICS: MICROCOMPUTERS IN EDUCATION

Maximum Enrolment: 20

Description:

Computers are becoming a fact of life for educators. The problem for teachers is to: a) gain the necessary computer literacy and, b) find a realistic method for implementing computer use in the classroom within the current financial constraints. Students in this course will: a) be able to confidently use a wide range of commercial educational software and understand computer operating systems; b) be able to teach computer literacy and program design to students using the computer language LOGO, c) be able to critically evaluate commercial software and select effective programs for classroom use; d) be able to operate "tool" programs (spreadsheet, word processing, and information filing) at a beginning level and have a sufficient understanding to continue self-education in these programs; e) be able to recognize the major BASIC language command words and develop an initial grounding in their use, and f) develop a critical awareness of the theoretical issues involved in the increasing use of computers in society.

Please note: Students may be assessed a non-refundable computer user fee.

Instructor: TBA

Detailed information about course scheduling, required reading, etc. will be available at the SFU Site Office after August 21, 1984.

--	---------

** a certain number of spaces may be available for Special Audit students, although no credit will be granted.

For full information, see the current Simon Fraser University calendar.

PRELIMINARY ANNOUNCEMENT

Simon Fraser University will be offering the following course in Kamloops during the 1984 Fall Semester (September - December):

EDUCATION 361-4 CONTEMPORARY ISSUES AND NEW DEVELOPMENTS IN EDUCATIONAL PRACTICE

Description:

This course will be jointly planned with the Kamloops School District to deal with the concerns of classroom teachers in the elementary schools of today. The course will address a variety of topical issues including Special Education for the classroom teacher. Presenters will include Simon Fraser University resource persons and exemplary educators from within the Kamloops School District.

Note: For those interested, a follow-up course in the Spring 1985 semester will allow students to implement concepts from Education 361 in their own classrooms or schools.

Instructor: TBA

Detailed information about course scheduling, required reading, etc. will be available at the SFU Site Office after August 21, 1984.
