The Centre for Disability Independence Research and Education was up for renewal this year, the Director has not submitted a Renewal Application to date.

The Centre for Restorative Justice was up for renewal last year but the Director unexpectedly died, I therefore extended the Centre for another year.

The Institute for the Reduction of Youth Violence was established on Sept 20, 2007. However, since a Director was not appointed until June 2010, the renewal date has now been moved to April 1, 2015.
