MEMORANDUM

ATTENTION Senate
FROM Jo Hinchliffe, Assistant Registrar
Secretary, Senate Calendar Committee *Jeli*
DATE November 18, 2009
RE: Web-based calendar – For Information Only

At its meeting of 30 September, 2009 the Calendar committee reviewed and approved the proposal to move the official SFU Calendar from a printed publication to a web-based version.

The Registrar's office is responsible for producing the Calendar. The rationale for this change includes:

- fiscal responsibility
- environmental sustainability
- integration with the new curriculum management system

For these reasons, the 2010-2011 Calendar will be solely available on-line. In 2011 the Calendar will be published on-line to coincide with each term.

This information was communicated to the community in July 2009 through notification in every print calendar and on-line, and workshops have been held for advisors and administrators from each department.
