Amended by Senate

OFFICE OF THE
ASSOCIATE VICE PRESIDENT ACADEMIC AND ASSOCIATE PROVOST

S.M. 7 Dec 2009

MEMO

ATTENTION	Senate
FROM	Bill Krane, Chair Senate Committee on Undergraduate Studies
RE	Faculty of Business Administration (SCUS 09-52)
DATE	November 17, 2009

Action undertaken by the Senate Committee on Undergraduate Studies at its meeting of November 5, 2009, gives rise to the following recommendation:

Motion:

That Senate approve the revision of admission requirements for entrance to the Faculty of Business Administration effective for the Fall ~~2010~~ *2011* term.

Faculty of Business Administration

2011/2012

Revision of Admission Requirements for the 2010/2011 calendar.

Summary of Changes

- a) in addition to the September Senate approval of calculation of the eligibility for admission for Category 2, 3 and 4 students be amended so that the admission GPA is no longer calculated based on overall CGPA but rather only on the grades received for the nine lower division courses required for admission to the Faculty of Business Administration, that there is a maximum of two repeated courses on those nine lower division courses.

Rationale

To provide a relevant and consistent base of admission for internal and external students transferring to SFU Business.

- b) Update Category 2 title to: direct from a recognized post secondary institution. Also update first sentence with same wording.

Rationale

'Universities' was originally absent from Category 2, and university, college/technical institute can all fall under the title "direct from a recognized post secondary institution".

- ~~c) include a grade point average restriction for Non-Major access to Business Courses, 300 and 400 division BUS course enrolment restrictions.~~

~~**Rationale**~~

~~To create fairness for those students who recently entered SFU Business as Category 3 and 4, by meeting a Business admission average of 2.67 (C+ average).~~

- C d) Introduce Broad Based Admissions to Category 1 Admission Requirements.**

Rationale

Although academic performance is still very important, this new procedure will allow SFU Business to look at performance in a broader range of activities. Category 1 admission will be based on the general Simon Fraser University admission requirements (plus mathematics 12), combined with an assessment of overall leadership potential and extra-curricular achievements.

Calendar Change

The calendar changes required are on page 144 of the 2009/2010 of the printed SFU calendar.
