Anthony Kupferschmidt

I am a second-year Gerontology M.A. student and I am seeking election by SFU Senate to serve as a Graduate Student Member of the Senate Graduate Studies Committee.

I received my B.A. (Honours) degree in Psychology from Queen's University in 2003. While in Kingston, I sat on the Board of Directors of the Alzheimer Society of Kingston for one year. I also served for two years as a Vice Coordinator of a volunteer-based community organization. I then completed my B.A. in Gerontology at McMaster University in 2005 before moving to Vancouver.

I am very involved with student committees here at SFU. I have served as the Department of Gerontology representative to the Simon Fraser Student Society (SFSS) Graduate Issues Committee and as acting Teaching Support Staff Union Steward. I am presently the Gerontology Graduate Representative to the SFSS Student Forum and the Chair of the Gerontology Graduate Caucus.

My current committee involvement external to SFU includes my roles as Board member of the Caregivers Association of BC and Vice-President of the Canadian Association on Gerontology - Association Canadienne de G erontologie Student Connection - Connexion  tudiante. I also represent SFU students interested in aging issues to the Gerontological Society of America in my capacity as Campus Representative.

If elected, I will bring my experience, dedication to university issues, and drive to represent graduate student interests to the position of Graduate Student Member on the Senate Graduate Studies Committee.
