Simons Foundation International Endowment Fund

Supporting the Simons Visiting Chair in Dialogue on International Law and Human Security and the Chair in International Law and Human Security

Terms of Reference

Overview

The Simons Foundation International Endowment Fund will be established at Simon Fraser University by the Simons Foundation of Canada, in partnership with Simon Fraser University. The Fund will support the Simons Visiting Chair in Dialogue on International Law and Human Security and the Chair in International Law and Human Security.

Together, these Chairs will provide a public face to important intellectual, teaching and community outreach traditions at Simon Fraser University.

The Simons Foundation of Canada agrees to donate \$2 million (CAD) to the Simons Foundation International Endowment Fund and the annual income from its \$2 million donation will be used to fund the Simons Visiting Chair in Dialogue on International Law and Human Security, henceforth referred to as the Simons Visiting Chair in Dialogue.

The Chair in International Law and Human Security will be funded by a combination of the annual income from \$2 million provided by the Burnaby Mountain Endowment Fund Matching Program, as a match for the \$2 million donation from the Simons Foundation of Canada and the equivalent of a base funded position (assistant professor step 4) provided annually by the Faculty of Arts and Social Sciences.

Purpose and Objectives

The Simons Visiting Chair in Dialogue will enhance understanding and raise the public profile of key international issues that affect the welfare and well being of present and future generations and promote public debate with respect to these issues.

The Chair in International Law and Human Security will work with the Simons Visiting Chair in Dialogue on community outreach activities, including coordinating an Annual International Conference on Issues in International Law and Human Security (to be held at the Morris J. Wosk Centre for Dialogue).

Additionally, the Chair in International Law and Human Security will carry out a program of research that will focus on the role of international law as a critical factor in preserving and promoting peace, human rights and human security, broadly defined.

Simons Visiting Chair in Dialogue on International Law and Human Security Advisory Committee

The advisory committee will be chaired by the Dean of Arts and Social Sciences and include three faculty members from the Faculty of Arts and Social Sciences, one member from the board of the Simons Foundation of Canada and one member from the community who is not directly associated with Simon Fraser University. The advisory committee will provide advice to the School for International Studies Appointments Committee on candidates for the Simons Visiting Chair in Dialogue.

Appointments

Simons Visiting Chair in Dialogue on International Law and Human Security

Simon Fraser University will appoint the Simons Visiting Chair in Dialogue. The term of this appointment is a minimum of four months to a maximum of one year, on a limited term basis. The compensation will be the equivalent of the salary of an associate professor or professor. The appointment shall require the approval of the School for International Studies' Tenure and Promotion Committee. Prior to advancing a nomination under university policy A10.06 (Appointment of Specially Funded University Chairs, University Professors and Research Fellows), the School for International Studies Appointments Committee will consult with the Simons Visiting Chair in Dialogue on International Law and Human Security Advisory Committee.

Visiting chair holders will be leading figures with diverse backgrounds -including, but not limited to, the sciences, humanities, diplomatic corps, politics, non government organizations and academe - who demonstrate, through their work and/or writing, a commitment to improve understanding and promote dialogue on issues in International Law and Human Security that impact the welfare and well-being of present and future generations. The visiting chair holder will be situated in the School for International Studies in the Faculty of Arts and Social Sciences at the SFU Vancouver campus. The visiting chair holder will play a key role in enhancing public awareness of international issues by holding public forums in conjunction with the Morris J. Wosk Centre for

Dialogue. The visiting chair holder will have access to the administrative support and research resources of the Chair in International Law and Human Security. The teaching load of the visiting chair holder will be negotiated but normally will be a minimum of one course and a maximum of two depending upon the length of the appointment.

Chair in International Law and Human Security

Simon Fraser University will appoint the Chair in International Law and Human Security. The term of this appointment is 5 years and is renewable. The applicable policy is A10.06. Appointment and renewal processes will follow the policy.

Simon Fraser University will appoint to a tenure track position at the rank of associate professor or professor, a candidate who specializes in one or more of the following areas: international law and international relations, international criminal law, studies in war crimes and the international courts and international organizations. The intent is to appoint a candidate who will concentrate on teaching and research on international relations, international law and international criminal justice as the foundation for human security.

The Chair will be situated in the School for International Studies in the Faculty of Arts and Social Sciences at the SFU Vancouver campus and will encourage and develop linkages with other departments, institutes and universities in order to promote interdisciplinary research and integration in this new field.

As a critical member of the School for International Studies, the Chair will be expected to create new curriculum on international law and human security, to conduct a coherent program of research and to foster broader public understanding of the issues through conferences and symposia. The teaching load of the Chair will normally be 50% of the normal teaching load in the School for International Studies.

Fund Administration

The Simons Foundation International Endowment Fund will be held by Simon Fraser University. The administrator of the Fund will be the Vice President - Academic, or his/her designate. Donations to the Endowment may be received through Simon Fraser University.

The capital of the Endowment Fund will be held in perpetuity with a portion of annual earned income reinvested in the Endowment to protect its value over time. The annual earned interest income (see Endowment Management Policy GP 20) will also be used to support the salary, benefits and related activities of the Simons Visiting Chair in Dialogue and the Chair in International Law and Human Security, including teaching, research and community outreach activities.

In the event that circumstances make the specified use of the Endowment Fund no longer practicable or desirable, the Board of Governors of Simon Fraser University is hereby authorized

to make any changes it may deem necessary in the terms or use of the Endowment Fund after consultation with the Simons Foundation of Canada. Such changes, however, are to be in keeping as far as possible with the original spirit and general intent of the Endowment Fund. This agreement may be amended by mutual consent of The Simons Foundation of Canada and Simon Fraser University.
