SIMON FRASER UNIVERSITY
DEAN OF GRADUATE STUDIES
MEMORANDUM

TO: Senate Graduate Studies Committee
FROM: Jonathan Driver, Dean of Graduate Studies
SUBJECT: Dissolution of Centre for Environmental Biology
DATE: 21st November 2003
cc:

The CEB is the home for the Masters of Pest Management program and Environmental Toxicology. It is not a "research centre" of the kind defined under policy R40.01. The new pedagogical and administrative structure for graduate programs in the Department of Biological Sciences no longer requires the presence of CEB. The attached memo from the Dean of Science recommends that it be terminated. If SGSC approves this recommendation, it will be forwarded to SCUP and Senate for final approval.

**SIMON FRASER UNIVERSITY
MEMORANDUM**

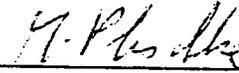

To: J. Driver,
Dean of Graduate Studies

From: M. Plischke, Acting Dean
Faculty of Science

Subject: Centre for Environmental Biology

Date: October 8, 2003

The Department of Biological Sciences has recommended that the Centre for Environmental Biology be terminated. I agree with this recommendation and ask that you forward it to Senate for consideration.
