MEMORANDUM

To: Senate
From: Alison Watt, Director, University Secretariat
Subject: Correction to Faculty of Education Enrolment data in S. 02-43
Date: August 27, 2002

FOR INFORMATION - CORRECTION

At the May 2002 Senate meeting, Senate approved admissions targets for 2002/2003 by basis of admission, and by Faculty. For the Faculty of Education, the proposed admissions level for 2002/2003 was 226 FTE students. In answer to a question it was reported that admissions to the Faculty of Education were doubling in 2002/2003. This information was based on incomplete data which showed the actual number of admissions to Education in 2001/2002 as approximately one-half of the new admission targets. This is not the case. When the total enrolment for Education is properly specified for 2001/2002, it is very close to the admission target set for 2002/2003.

A copy of the revised Table 2 showing the corrected data for 2001/2002 is attached for the record.
