

MEMORANDUM

SIMON FRASER UNIVERSITY

To: Senate  
From: Jon Driver  
Dean of Graduate Studies  
Subject: Curriculum Revisions  
Faculty of Science

Date: December 13, 2000

.....  
**For Information:**

Acting on delegated authority, SGSC approved the following revisions from the Faculty of Science:

1. Department of Earth Sciences

New Courses

- EASC 603-3 Field Techniques in Hydrogeology
- EASC 606-3 Advanced Field Methods in Earth Sciences
- EASC 607-3 Exploration Seismology
- EASC 608-3 Advanced Metamorphic Petrology

2. Department of Mathematics and Statistics

Re-labeling the 900-level courses used in the Applied and Computational Mathematics Program from MATH to APMA

**Any Senator wishing to consult the full report of curriculum revisions should Contact Bobbie Grant, Senate Assistant at 291-3168 or email [bgrant@sfu.ca](mailto:bgrant@sfu.ca)**
