MEMORANDUM

S.00-16

To: Senate
From: Alison Watt, Secretary, Senate Committee on Agenda and Rules
Subject: Out-of-date External Reviews
Date: 21 December, 1999

In November 1999, the Senate Committee on Academic Planning received three external review reports and departmental responses which had taken place more than two years ago, and which had become entangled in the three year planning process.

<u>School/Department</u>	<u>Review date</u>
Department of Sociology and Anthropology	February 1996
School for the Contemporary Arts	March 1996
Graduate Liberal Studies program	April 1997

The external review reports, the responses by the departments and the updates to the three year plans elicited very little discussion at SCAP. Dr. Munro, chair of SCAP asked the Senate Committee on Agenda and Rules (SCAR) whether it would be worthwhile to forward these very much delayed external reviews to Senate, and the consensus was that these papers would not be likely to generate a great deal of discussion at Senate. Therefore these materials will not be forwarded to Senate. However, these reports may be of interest to some Senators, and anyone wishing to review the papers which were considered by SCAP should contact me.
