MEMORANDUM**

To: Jack P. Blaney

From: Roger W. Ward  
Vice-President  
Finance and Administration

Subject: GP 16 Non-Smoking Policy

Date: September 13, 2000

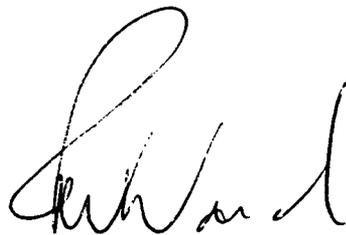

---

The current University Smoking Policy (GP 16) was approved by the Board in November 1987. Since that time the City of Burnaby and the City of Vancouver have enacted by-laws prohibiting smoking in public places. Also, the Workers Compensation Board has introduced Industrial Health and Safety Regulations restricting smoking in the workplace.

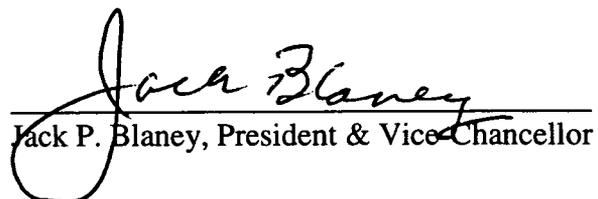

The attached revision to GP 16 proposes to prohibit smoking in any enclosed space on the University's campuses. The revised policy has been reviewed and approved by the committee of Vice-Presidents and Deans.

The following motion is proposed for consideration of the Board of Governors;

**"That the revised Non-Smoking Policy be approved."**

I concur and so recommend
