Senate Paper S.73-125 provides that any courses not offered within a six semester period be deleted from the Calendar unless adequate justification for retaining the course is presented, with SCUS charged with reviewing those courses under this ruling.

The Registrar advised Faculty Deans of those courses which fell under the above provisions and requested a response to the notice of intention to delete the courses. SCUS approved the department/faculty recommendations for deletion. In a number of cases, SCUS agreed that there was adequate justification to retain the course for the present.

Acting under delegated authority, SCUS approved deletion of the following courses:

CRIM 415	Victimology
HIST 406	The Industrialization of Europe
HIST 410	History of Science, Technology and Everyday Life
HIST 451	Innocence and Corruption in Nineteenth Century American Myth
JAPN 250	Conversation and Composition
BUS 427	Seminar in International Accounting
BUS 438	Multinational Corporate Finance
