CURRICULUM REVISIONS

Block change of credit hours for courses in Political Science.

During the 1998/99 curriculum revision cycle, the following course change activity took place:

	<u>New courses approved</u>	<u>Courses deleted</u>
Undergraduate courses	47	41
Graduate courses	25	6

In addition, 9 courses which had not been offered for more than six semesters were deleted.

PROGRAM DELETIONS

Joint Major in Business Administration and Political Science
General Minor in Faculty of Education

ENROLLMENT MANAGEMENT (SCEMP)

SCEMP recommended:

undergraduate admission targets for 1998/99
admission to Faculties for 98-3 and subsequent semesters
undergraduate admission targets to each Faculty
allocation of additional fully funded FTEs in 1998/99
revised undergraduate intake targets for 99-1.

OTHER MATTERS CONSIDERED BY SCAP

AU designation on transcript for courses audited by undergraduate and graduate students.
SGSC – change of membership to add Assoc. Dean of Graduate Studies as ex-officio voting member.
Consideration of Faculty Deans' Three-Year Plans
Consideration of Vice-President Academic's Three-Year Plan
Consideration of Dean of Graduate Studies' Three-Year Plan
Innovation Initiative for Harbour Centre
Report and recommendation to continue Diverse Qualification Admission Policy

EXTERNAL REVIEWS

SCAP received reports and provided initial comments on the following external reviews:

Department of Mathematics and Statistics (June 98)
School of Communication (October 98)
Department of Physics (October 98)

Following initial SCAP consideration and comment, departments will review the reports and recommendations, make adjustments to their three-year plans and then the revised plan will come forward for approval.

CENTRES AND INSTITUTES

SCAP recommended to Senate and the Board of Governors the establishment of the following:

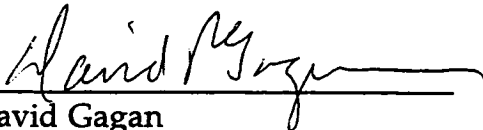

Co-operative Research Management Institute (CRMI)
Centre for Environmental Biology

SCAP recommended to Senate and the Board of Governors the dissolution of the following:

Institute for Business and Innovation Studies (IBIS)
Institute of Human Factors and Interface Technology
Centre for Human Independence Engineering
