RE: Calendar Changes 98/99
(last set of changes)

DATE: November 19, 1997

Delete the Joint Minor in French and Education

We would also like to remove the Joint Minor in French & Education that has been offered through the Faculty of Education. This minor has been available for approximately 5 years, but we have never had a student complete it. At a recent meeting between members of the Faculty of Education and the Department of French it was felt that since we do not seem to have an audience for this minor, it should be deleted from the calendar.
