From: J. Osborne, Acting Chair

Subject: Languages and Linguistics
Date: May 19, 1994

Action undertaken by the Senate Graduate Studies Committee and the Senate Committee on Academic Planning, gives rise to the following motion:

Motion:

"that Senate approve and recommend approval to the Board of Governors as set forth in S. 94 -43, the discontinuance of the following programs that formerly resided in the Program in Languages and Linguistics:

Master of Arts - Teaching of French
Ph.D - French

SIMON FRASER UNIVERSITY SCAP 94 - 29

DEAN OF GRADUATE STUDIES

Memorandum

TO: Alison Watt, Secretary
Senate Committee on Academic Planning

FROM: B.P. Clayman
Dean of Graduate Studies

SUBJECT: Languages and Linguistics

DATE: April 29, 1994

At its meeting on April 11, 1994, the Senate Graduate Studies Committee formally approved the discontinuance of the following programs that formally resided in the Program in Languages and Linguistics:

- Master of Arts - Teaching of French
- Ph.D. - French
- Ph.D. - Spanish

The committee noted that this discontinuance in no way prejudices future consideration of graduate programs in these areas and recommended that SCAP approve the discontinuance of these programs.

At the time that the MA program in Latin American Studies was approved in early 1993, there was no explicit discontinuance of the existing MA in Spanish which was also part of the Program in Languages and Linguistics. This was merely an oversight; there was no intention to continue a separate MA program. Therefore, to remove any possible technical ambiguity, I recommend that SCAP formally approve the discontinuance of the MA in Spanish.

SIMON FRASER UNIVERSITY

DEAN OF GRADUATE STUDIES

Memorandum

TO: Senate Graduate Studies Committee

FROM: B.P. Clayman
Dean of Graduate Studies

SUBJECT: Languages and Linguistics

DATE: April 7, 1994

The last remaining item of business related to the reorganization of the graduate program in Languages and Linguistics is the formal discontinuance of the components of that program that were not incorporated in the new, departmental programs. This action was overlooked when the SGSC approved the last of the departmental programs.

To this end, I recommend to the SGSC the discontinuance of the:

- Master of Arts - Teaching of French
- Ph.D. - French
- Ph.D. - Spanish

This discontinuance in no way prejudices future consideration of graduate programs in these areas.

Since this action is fully consistent with all previous planning, I do not believe that it requires further consideration by departmental or Faculty committees. I therefore am making the recommendation directly to the SGSC and am copying this memorandum to the departments and Faculty for information.
