

MEMORANDUM

To.....Members of Senate.....

From...Office of the Dean of Graduate Studies

Subject...Graduate Course Description Change...
Department of Mathematics

Date.....December 5, 1985.....

Action undertaken by the Senate Graduate Studies Committee at its Meeting on December 2, 1985, gives rise to the following motion:

MOTION:

"That Senate approve and recommend approval to the Board of Governors as set forth in S.86-19, the revised Calendar description for Math 821-4:

From: Transversal theory, enumeration, Ramsey Theory, block designs and current research topics.

To: An introduction to the theory of block designs, finite geometries and related topics."

Rationale: The new description better reflects the material presented in the course.

Bruce P. Clayman
Dean of Graduate Studies

MEMORANDUM

To..... Dr. Glen Geen
..... Dean of Science
Subject..... Faculty GSC actions.....

From..... Dr. A.R. Freedman, Chairman.....
..... Faculty of Science
..... Graduate Studies Committee.....
Date..... November 21, 1985.....

SM

The Faculty of Science Graduate Studies Committee met on November 19th. Unfortunately, I was the only member to attend the meeting. Dr. Dill sent me a memo prior to the meeting approving of the items under consideration. His votes along with mine apparently will satisfy the quorum requirements of the committee. Prof. Hutchinson also attended the meeting.

1. We have approved the calendary entry for the M.Sc. degree in Geography. (attached). (Prof. Hutchinson and I discussed some minor editorial matters and the entry will probably be slightly revised by the time it reaches senate.)
2. Also, a minor course description change for Math 821-4 was approved. (attached).

As you know Geography is eager to get their program into the calendar this year. It would be nice if you could expedite this matter and, at the same time, arrange for the innocuous change for mathematics to go through senate in time for next year's calendar.

MEMORANDUM

To.....	Dr. A.R. Freedman, Chairman	From.....	A.R. Freedman, Chairman
.....	Faculty of Science Grad. Studies Comm.	Grad. Studies Committee - Math. & Stats.
.....		
Subject.....	<u>COURSE CALENDAR DESCRIPTION CHANGE</u>	Date.....	14 November 1985

At its meeting of November 7, 1985 the Department of Mathematics and Statistics Graduate Studies Committee approved the following revised calendar description for MATH 821-4 Combinatorics.

"An introduction to the theory of block designs, finite geometries and related topics".

Rationale: The new description better reflects the material presented in the course.

Please put this matter before the Faculty of Science Graduate Studies Committee.

A.R. Freedman
