NOTE: Credits applied toward this Certificate may not be applied toward any other Simon Fraser University certificate or diploma, but may also be applied toward Major program or Minor program requirements or toward a Bachelor's degree under the normal regulations governing those programs.

Certificate in British Columbia Studies Cont.

Rationale: Departments sometimes make changes and additions to their course structure, however these changes do not always get caught by the areas that list some of these courses as being appropriate to their discipline. This is the case with GEOG 265. Further ARC. 336 and HIST 385 when taught with the 'appropriate content' would also be acceptable for the certificate.
