MEMORANDUM

To..... SENATE UNDERGRADUATE ADMISSIONS BOARD.....

From.. ALAN C. McMILLAN.....

SECRETARY, SUAB.....

Subject..... SUAB TERMS OF REFERENCE.....

Date..... NOVEMBER 19, 1980.....

The approval by Senate of S.78-114 - Proposal for New Admission Requirements for B.C. Secondary School Graduates, gave rise to Paper S.79-111 revising the Terms of Reference of the SUAB to allow the Board to review student applications as described. In preparing Paper S.79-111, the second paragraph under PROCEDURES at present does not accurately describe the intent of the original motion.

The following motion will establish consistency with the Terms of Reference:

MOTION: " That the following wording in S.79-111:

'PROCEDURE, Section (d) ... in the same manner as all other applicants who are denied admission' be replaced by:

'PROCEDURE, Section (d) ... only if they are able to present additional information (which was not available at the time of the SUAB decision) which is relevant and consistent with the criteria used by SUAB.'
