MEMORANDUM

To..... Mrs. S. Roberts, Secretary to the
Faculty of Arts Undergraduate
Curriculum Committee

From..... G. C. Hoyt, Chairman
Business Administration

Subject..... Change of Vector and Credit -
BUS: 321

Date..... May 28, 1981

I am forwarding for your approval a form indicating a change in vector and credit for BUS. 321--Financial Accounting.

The Department of Business Administration Undergraduate Curriculum Committee has approved the change in vector from 2-1-0 to 3-1-0 and the change in credit from 3 credits to 4 credits. The Committee considered these changes following a recommendation made by the faculty members of the Accounting group within the Department. The Accounting faculty emphasized that there is simply too much material within the scope of this course to be adequately covered within a two-hour lecture period. It was felt that a three-hour lecture would be more likely to fulfill the needs of the course.

I would be pleased to provide any further information you require.
