MEMORANDUM

To..... SENATE

From..... SENATE COMMITTEE ON UNDERGRADUATE STUDIES

Subject..... CHANGE TO REGULATIONS - MULTIPLE
UNDERGRADUATE DEGREES, S.81-65, Sec.5d

Date..... OCTOBER 15, 1981

Action undertaken by the Senate Committee on Undergraduate Studies at its meeting of October 6, 1981 gives rise to the following motion:

MOTION: That Senate approve and recommend approval to the Board of Governors, as set forth in S.81-144, the proposed changes to Regulations, Multiple Undergraduate Degrees, S.81-65, Section 5d, as follows:

From: Otherwise, general faculty and departmental regulations apply, except that students enrolled in further degrees are not required to complete group requirements.

To: General faculty and department regulations apply, including completion of any group requirements not completed in a previous degree.

Background Information: In discussion it was noted that the original submission from a sub-committee of SCUS had been made through SCUS and approved by Senate that for those with a first degree the requirements for a second degree might be relaxed somewhat in respect of group requirements to reduce overall technical requirements with increased credit demand. On further consideration the Faculty of Arts indicated desire and intent to retain its normal group requirements on a further degree unless completed in earlier work. With minor opposition this position was accepted by the Committee.
