Subject... Curriculum Changes - Faculty of Arts
Regulations

Date.. 1981-11-24.....

The Faculty of Arts Curriculum Committee at its meeting of November 19, 1981 approved a change in the wording of the general regulations of the Faculty of Arts on page 96 to remove the ambiguity in the current entry. The entry should read: "If students change goal from one Faculty to another but do not change their Honors, Major, or Minor declaration, then although the date of the change of faculty will be one which governs the Faculty of Arts regulations, the original declaration date for Honors, Major, or Minor will be the one which governs the Department(s) regulations."

Will you please place this item on the agenda of a S.C.U.S. meeting

Thank you.

CURRICULUM REVISION

FACULTY OF ARTS REGULATIONS

p. 96

Change of Regulations

FROM: CHANGE OF PROGRAM

Students may apply to change their degree programs at any time prior to graduation, but are advised that changes after the fifth or sixth level often require extra credit hours in order to complete all the requirements for the new degree program. Also, students who change their degree programs are subject to the regulations of the Calendar in effect at the time of the change. A change from B.Ed. or B.G.S. degree programs to the B.A. program will be considered a change of program, even though the Major or Honors subject remain unchanged.

TO: CHANGE OF PROGRAM

Students may apply to change their degree programs at any time prior to graduation, but are advised that changes after the fifth or sixth level often require extra credit hours in order to complete all the requirements for the new degree program. Also, students who change their degree programs are subject to the regulations of the Calendar in effect at the time of the change. If students change goal from one Faculty to another but do not change their Honors, Major, or Minor declaration, then although the date of the change of faculty will be the one which governs the Faculty of Arts regulations, the original declaration date for Honors, Major, or Minor will be the one which governs the (Department(s)) regulations.

RATIONALE: The present statement is ambiguous and partially incorrect. The change clarifies the statement and permits students to continue their Honors, Major, or Minor programs unchanged when they move from another Faculty to the Faculty of Arts.
