

SIMON FRASER UNIVERSITY

S. 82-115

MEMORANDUM

As amended by
Senate 11/11/82

To..... SENATE

From..... FACULTY OF BUSINESS ADMINISTRATION

..... SENATE COMMITTEE ON AGENDA AND RULES

.....
GRANTING OF DEGREES,
Subject... FACULTY OF BUSINESS ADMINISTRATION...

Date... OCTOBER 21, 1982

At its meeting of October 18, 1982 the Senate Committee on Agenda and Rules considered request from the Faculty of Business Administration on the above-mentioned topic and recommends to Senate as shown in the motion below.

Actions already undertaken by Senate have approved the establishment of the Faculty of Business Administration and that the name of the degree to be granted in the Faculty of Business Administration be Bachelor of Business Administration with this degree title to commence in September, 1982 for those students completing requirements through the new Faculty of Business Administration which has been established effective September 1982.

For various reasons the Faculty of Business Administration has proposed that those students who completed requirements for the degree in Summer 82-2 be permitted to receive the degree of Bachelor of Business Administration or the degree of Bachelor of Arts-at the choice of the student. Students have been advised of this intent and a number have deferred application for graduation to obtain the B.B.A.

SCAR recommends acceptance of the request. If the motion is approved by Senate it is intended that the Faculty of Business Administration ensure that the choice be ascertained for each individual, and that the graduation applications reflect this data. In those instances where the granting of a degree by Senate to a member of this group was done at the October meeting of Senate, any necessary technical adjustments would be made by the Registrar's Office.

MOTION: "That Senate approve that students who completed requirements for the bachelor degree with Major or Honors in Business Administration and related components ^{by the end of} in Summer 1982, who have applied or who are now applying, be granted the Bachelor of Business Administration through that Faculty, or the Bachelor of Arts through the Faculty of Arts, at the choice of the student."
