

SIMON FRASER UNIVERSITY

S.73-12

MEMORANDUM

To SENATE

From SENATE COMMITTEE ON UNDERGRADUATE STUDIES

Subject..... FACULTY OF SCIENCE - DEPARTMENT OF
CHEMISTRY - CHANGES IN COURSES AND
REQUIREMENTS

Date DECEMBER 13, 1972

MOTION:

"That Senate approve changes in courses and requirements for the Department of Chemistry, as set forth in S.73-12, including the following:

1. Add provision for Minors in Chemistry:

For a minor in Chemistry, 14-18 hours of upper division credit in Chemistry is required, together with their prerequisites. Typical programs in various subdisciplines are available on request to the Department.

2. Change in the core program, with reference to

Physics course:

Change from: Physics 101-3 (with B. Grade) or 201-2; then 202-2, 203-2, 204-2, 206-2 plus 4 or 5 hours of laboratory work - 15 hours

to: Physics 205-2 and 206-2 and their prerequisites plus a minimum of 2 hours physics laboratory credit: minimum 15 hours.

3. Change in prerequisite for Chemistry 101-3 -

Introductory Chemistry

Change from: No previous training in Chemistry is required for this course. Mathematics 151-3 should ordinarily precede or be taken concurrently; Chemistry 106-2 is ordinarily taken concurrently by students intending to proceed to 200 level courses in Chemistry.

to: No previous training in Chemistry is required for this course. Grade 12 Mathematics (or Mathematics 100-3, corequisite) or permission of the Department; Chemistry 106-2 is ordinarily taken concurrently by students intending to proceed to 200 level courses in Chemistry."

MEMORANDUM

To SENATE

From SENATE COMMITTEE ON UNDERGRADUATE STUDIES

Subject FACULTY OF SCIENCE - DEPARTMENT OF
CHEMISTRY - CHANGES IN COURSES AND
REQUIREMENTS

Date DECEMBER 13, 1972

On recommendation of the Faculty of Science, the Senate Committee on Undergraduate Studies has approved changes for the Department of Chemistry, including Chemistry minors, core program changes with reference to Physics courses, change in prerequisite for Chemistry 101-3, as set forth in SCUS 72-38, and recommends approval to Senate.

SCUS 12-55

SIMON FRASER UNIVERSITY

MEMORANDUM

Mr. H. Evans Secretary, SCUS	From J. S. Barlow Associate Dean of Science
Subject Chemistry Department - Proposed Changes, Undergraduate	Date November 14, 1972.

The following proposals have been approved by the Department of Chemistry and by the Faculty of Science Undergraduate Curriculum Committee. They are recommended to SCUS and Senate for approval.

1. Add provision for Minors in Chemistry.

Chemistry Minors

For a minor in Chemistry, 14-18 hours of upper division credit in Chemistry is required, together with their prerequisites. Typical programs in various subdisciplines are available on request to the Department.

2. Change in the core program, with reference to Physics course.

Change from: Physics 101-3 (with B grade) or 201-2; then 202-2, 203-2, 204-2, 206-2 plus 4 or 5 hours of laboratory work - 15 hours

to: Physics 205-2 and 206-2 and their prerequisites plus a minimum of 2 hours physics laboratory credit: minimum 15 hours.

3. Change in prerequisite for Chemistry 101-3 Introductory Chemistry.

Change from: No previous training in Chemistry is required for this course. Mathematics 151-3 should ordinarily precede or be taken concurrently; Chemistry 106-2 is ordinarily taken concurrently by students intending to proceed to 200 level courses in Chemistry

to: No previous training in Chemistry is required for this course. Grade 12 Mathematics (or Mathematics 100-3, corequisite) or permission of the Department; Chemistry 106-2 is ordinarily taken concurrently by students intending to proceed to 200 level courses in Chemistry.
