MOTION TO REVISE: "That the Chairman of the Senate Undergraduate Admissions Board shall be the Academic Vice-President or a designate of his choice."

SIMON FRASER UNIVERSITY

S.72.48

MEMORANDUM

To ALL MEMBERS OF SENATE

From DR. B.G. WILSON

VICE-PRESIDENT ACADEMIC

Subject COMPOSITION OF THE SENATE
UNDERGRADUATE ADMISSIONS BOARD

Date 15TH MARCH, 1972

The present constitution of the Senate Undergraduate Admissions Board specifies that the Chairman shall be "the Academic Vice-President or a Senate designate of his choice".

I would like to designate for this position Dr. Peter Belton, Director of the Academic Advising Centre. I feel that it is very appropriate that Dr. Belton be involved with S.U.A.B. At the present time, Dr. Belton is not a member of Senate and is, therefore, technically ineligible to act as my designate.

I ask that Senate approve the following motion:

" That the Chairman of the Senate Undergraduate Admissions Board shall be the Academic Vice-President or a designate of his choice. "
