SIMON FRASER UNIVERSITY

MEMORANDUM

SM 2/10/67

To: **Mr. D. P. Robertson,**
Secretary of Senate.

Subject: **Computing Course - Mathematics**

From: **D. G. Tuck,**
Acting Dean of Science.

Date: **September 28, 1967**

At its meeting of September 26, 1967, the Faculty of Science passed a motion to adopt Mathematics course 488-3, Computer Programming and Numerical Methods, with calendar description as follows:

FORTRAN programming, selected numerical techniques for problems encountered in modern automatic computing.

Prerequisite: Mathematics 213-3 or permission of the Department.

D. G. Tuck
