

**Simon Fraser University  
Memorandum**

**To:** Senate

**From:** Alison Watt, Secretary, Senate Committee on Agenda and Rules

**Date:** February 22, 2006

**Subject:** Amendment of GP 29 to accommodate the search for a new Registrar

---

University Act indicates that the appointment procedures for the Registrar require the approval of both Senate and the Board of Governors. Mr. Ron Heath will effectively be retiring from his position as Registrar at the end of September 2006 after more than two decades of service to SFU. Dr. Nello Angerilli, Acting Associate Vice-President, Students and International, has requested that Senate and the Board approve a new search process as soon as possible so that a search for Mr. Heath's replacement can get underway shortly.

The Senate Committee on Agenda and Rules recommends the following for consideration by Senate in order to facilitate the timely start of the search process:

Motion:

“that Senate approve and recommend to the Board of Governors that GP 29 (Search Committees for Vice-Presidents and Associate Vice-Presidents) be amended so that the procedures for searching for an Associate Vice-President would also apply to the search for the Registrar.
