**Date:** December 13, 2005

---

**For Information:**

The Senate Committee on Undergraduate Studies at its September 27, 2005 meeting, approved the changes to the enrolment priority system for new transfer students and that this will be for a three semester trial period beginning Spring 2006. This change will give new transfer students an enrolment appointment that is approximately the same as that of a continuing student who has 60 credits (Level 5).
