MEMORANDUM

To SENATE

From SENATE COMMITTEE ON UNDERGRADUATE STUDIES

Subject Calendar Changes - History
Department

Date 11th November, 1975

The Senate Committee on Undergraduate Studies at its meeting of November 4th, 1975 took action which gives rise to the following motion:

MOTION

That Senate approve the addition of requirements for a minor in History such that "students intending to enter the minor program must obtain at least nine hours credit in 100 and 200 division course work in History during the first four levels."

Note - Considerable discussion took place regarding the desirability of lower division requirements for minors and, while it was decided to recommend approval for the relatively modest requirements requested by the History Department, SCUS has referred the question of lower division minor prerequisites to the Faculty of Arts for consideration of their general usefulness.

DEPARTMENT OF HISTORY

(1) 130 Requirements
for Prospective
Minor, Major
and Honors Students
in the Lower Levels

Addition of Minor Requirements
"Students intending to enter the
minor program must obtain at least
nine hours credit in 100 and 200
division course work in history
during the first four levels."

Rationale:
These were omitted from the 75-76 calendar
by error. The department wishes to have
some pre-requisites for a minor but not
as many as for the major.
