He noted that the 1980 Open House will be featured at SFU on March 8 and 9, and asked that Senators make an effort to be in attendance.

A visit by the President to the International Development Research Centre in Ottawa has prompted the initiation of a Fall meeting at SFU, similar in format to one being convened in the Ontario region this Spring, to which representatives from the sister institutions in B.C. and Alberta will be invited.

With respect to a recent review of the financial aid program by the Ministry of Science and Communications, the President has requested details of the review.
