

SM 7/11/66

Gen Ed

Paper 3 E

To: Senate

From: The Registrar

Date: October 20, 1966

Subject: Exempting Student Society officers from the General Education requirements.

I have received a request from Stan Wong, Ombudsman, to consider the possibility of exempting Student Society officers from the General Education requirements. The feeling of the students is that participation in student activities is in itself a broadening experience.

D. P. Robertson
Registrar and
Secretary of Senate
