Jo:

The Faculty of Science Undergraduate Curriculum Committee met yesterday, and confirmed the following from your list of "Courses with 0 enrollment from 1087 to 1104". The following courses CAN BE DELETED - ALL OTHERS SHOULD BE KEPT FOR FUTURE OFFERING OR REVISION.

AUTHORIZED FOR DELETION:

1. EASC 303
2. EASC 418
3. EASC 419
4. MATH 210
5. MBB 310

All other courses should be kept for various reasons, such as keeping non-W versions for future offering, MASC courses for our Bamfield teaching commitment, and sabbatical, retirement, replacement issues. Let me know if you have any questions. Cheers,
Rolf
