

## FALL TERM 2009 COURSE OUTLINE

**EDUC 220-3 (EDUCATION)**  
**INTRODUCTION TO EDUCATIONAL PSYCHOLOGY**  
**C100**

How do students learn? What can teachers do to ensure that students learn? How can we fairly assess student learning? Educational psychology research addresses questions concerning teaching and learning in educational settings. EDUC 220 is an introductory course intended as a survey of major concepts, theories, and research in educational psychology. Major topics in the course include: learning, development, intellectual abilities and disabilities, diversity, instructional approaches, studying strategies, motivation, and assessment.
