**GENERAL INFORMATION**

This course, open to all undergraduates, is intended to provide students who have a general interest in educational studies, an opportunity to examine critically a variety of educational problems from a philosophical perspective.

The central concern of the course is to elucidate the nature of education and to distinguish it from socialization, schooling, training and indoctrination. There are no prerequisites for the course.

**REQUIREMENTS**

1. A paper of about 10–15 typewritten pages on a topic approved by the instructor (50% of the grade).
2. A final examination (50% of the grade).

**REQUIRED TEXTS**

1. Hirst, P.H., & Peters, R.S. The Logic of Education (R.K.P.).
2. Israel Scheffler, The Language of Education (Charles C. Thomas).

**COURSE OUTLINES AND READINGS**
