

LEARNING DISABILITIES LAB. EDUC. 424
Summer Session ' 76

Instructor: Stan Auerbach

As a participant in the Learning Disabilities Laboratory you will be required to tutor students 4 days per week.

Section 04

The tutoring site for section 04 is Holly Elementary School in Surrey. It is planned that students will be able to distribute the two 3 hour tutorial time blocks (Tue., Thur. 1:30 - 4:20) over 4 afternoons per week at Holly Elementary.

Section 05

The tutoring site for section 05 is Kerrisdale Elementary School in Vancouver. It is planned that students will go to the Kerrisdale site 4 mornings per week, (Mon., Thur. 8:30 - 10:20).

The first meeting of the class, will be in Room A.Q. 3150 at 10:30 (as listed in the pre-registration handbook). Both section 04 and 05 are expected to attend this first class meeting on campus, so that the details of your laboratory placement can be ironed out.

After the first class meeting (10:30 →) there will be no more lecture meetings on Monday at 10:30. Your time will be spent at Lab. sites. (Hence, there is not a course conflict with EDUC. 422)
